WE VALUE YOUR MAIL

# IS-350

## COMPACT, QUIET AND EASY TO USE

Growing businesses count on innovative productivity tools to keep their offices running smoothly. Neopost's IS-350 professional franking system makes it simple to weigh, frank and send your mail.

Easy to operate, the highly capable IS-350 with whisper-quiet operation is designed to integrate smoothly into your office environment and process mail efficiently.

With its state-of-the-art technology and **myneopost** online services you can be sure to have the best solution to meet your postal needs.

### MIX IT UP – IS-350 WILL SORT IT OUT

Fast, accurate weighing and franking. Using Differential Weighing, simply place all your mixed weight mail on the weighing platform, remove an item and the correct rate is calculated.

The IS-350 is as ready as you are. With Smart Start technology, each time an envelope is removed from the weighing platform the IS-350 starts and is ready to process your mail.

### PRICING YOUR MAIL HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-350's Rate Wizard give you a hand so you don't have to be a postal expert. Whichever rate you need, the IS-350 will figure it out. You'll enjoy hassle-free postal rate changes as they are automatically downloaded ensuring simplicity, accuracy, and compliance.

Save even more time by eliminating keystrokes when you select the mail class you need from the rate shortcuts menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

### GIVE THE RIGHT IMPRESSION

Enhance the look of your mail piece with a printed slogan. By adding a company slogan, you can communicate and promote your business to your customers.

### MONITOR, TRACK AND CONTROL POSTAL EXPENDITURE ONLINE

If you have to account for your mail, use **myneopost**. With convenient online access, you can even monitor postage activity, mail class, and department usage.

Enjoy the hassle-free automatic postal rate change downloads that ensure you're compliant with the latest postal rates.

Never run out of ink with Low Ink E-mail Alerts.

**myneopost** online services give you greater control over your mailing system and postal expenditures. The IS-350 connects to **myneopost** to help you manage your operations more efficiently.

### STAY CONNECTED WITH LAN

Save time and increase efficiency by taking advantage of the LAN connection included as standard across the IS Range.

With the ability to connect to almost any network type automatically the continuous connection allows for statistic uploads, rate change updates, recrediting, system upgrades and all other downloads to be completed with ease. Running securely via your internal network, the LAN connection removes the need to find and use a traditional analogue phone line.

### NEVER OUT OF INK

Managing ink couldn't be easier. The IS-350 uses a long-life cartridge optimising ink yield and minimising replenishment.

Plus, the IS-350 will send you a Low-Ink E-Mail Alert so you can be sure your mail keeps moving. Thanks to the Click n' Snap design, changing ink cartridges has never been easier.
