**myneopost** ONLINE SERVICES

Smooth, powerfeed provides fast batch processing of envelopes. The extra power when you need it!

Integrated automatic label dispenser.

Space saving integrated 3kg weighing platform with Smart Start technology. External platforms are available with up to 35kg capacity.

Dashboard display provides operation overview and user-friendly prompts and menus.

Compact, extendable catch tray accommodates DL to C4 envelopes.

Shortcut keys ensure maximum efficiency.

### GIVE THE RIGHT IMPRESSION

Enhance the look of your mail piece with a printed slogan. By adding a company slogan, you can communicate and promote your business to your customers.

### MIX IT UP – IS-420 WILL SORT IT OUT

Fast, accurate weighing and franking. Using Differential Weighing, simply place all your mixed-weight mail on the weighing platform, remove an envelope and the correct rate is calculated.

With Smart Start technology, each time an envelope is removed from the weighing platform, the powerfeeder starts and is ready to process mail or automatically dispense a postage label.

### PRICING YOUR MAIL HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-420 Rate Wizard give you a hand so you don't have to be a postal expert.

Whatever rate you need is in the IS-420. Save even more time by eliminating keystrokes when you select the mail rates you need from the rate shortcuts menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

### EASY TO USE OPERATIONAL CONTROL

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the IS-420. Benefit by using the failsafe Rate Wizard – just like redialing a number on your mobile phone, and easy-to-use shortcut keys that save you time.

### MAIL ACCOUNTING SOLUTIONS THAT KEEP YOU IN CONTROL

Optimising budget and effective costs control are expected in today's business environment. Neopost MAS delivers the detailed reports you need to track, analyse, allocate, forecast, and consolidate your mail processing activity by mail class, department, time-period and more, even from a distance.

You can establish budget by department and then monitor costs with automatic alerts or limits controlling overspending. Connect to a PC with Neopost MAS installed and you're never out of control.

### MONITOR, TRACK AND CONTROL POSTAL EXPENDITURE ONLINE

If you have to account for your mail, use **myneopost**. With convenient online access, you can even monitor postage activity, mail class, and department usage.

Enjoy the hassle-free automatic postal rate change downloads that ensure you're compliant with the latest postal rates.

Never run out of ink with Low Ink E-Mail Alerts.

**myneopost** online services gives greater control over your mailing system and postal expenditures. The IS-420 connects to myneopost to help you manage your operations more efficiently.

### STAY CONNECTED WITH LAN

Save time and increase efficiency by taking advantage of the LAN connection included as standard across the IS Range.

With the ability to connect to almost any network type automatically the constant connection allows for statistic uploads, rate change updates, recrediting, system upgrades and all other downloads to be completed with ease. Running securely via your internal network, the LAN connection removes the need to find and use a traditional analogue phone line.

### NEVER OUT OF INK

Managing ink couldn't be easier. The IS-420 uses a long-life cartridge optimising ink yield and minimising replenishment.

Plus, the IS-420 will send you a Low Ink E-Mail Alert so you can be sure your mail keeps moving. Thanks to the Click n' Snap design, changing ink cartridges has never been easier.
