COST CONTROL

- PIN code protection helps you control usage
- Default rate setting helps eliminate accidental mis-posting
- Online access to detailed postal usage by department, time period and postal class
- Advanced Neopost MAS

ONLINE MANAGEMENT

- Convenient access to postal and dept usage on **myneopost**
- Simple, postal rate change downloads
- Simplify ink re-ordering with low-ink email alerts
- Get added support with remote diagnostics

WE'VE GOT YOU COVERED

Neopost customer support is there for you with our Irish based contact centre and nationwide trained technicians who are ready to assist you.

In fact, our dedication to providing you with world class customer satisfaction is so advanced that we offer an automatic diagnostics program with our IS range. By uploading systems data, we will be alerted if you are having trouble.

With **myneopost**, this remote access to your system allows us to analyse the situation remotely and then fix it accordingly.

Eco-friendly, the upgraded Neopost IS range is designed to reduce your environmental footprint.

Being ISO 14001 (environmental) certified, Neopost will serve you according to the highest process, quality and environmental standards.

neopost

IS-440 INTELLIGENT, RELIABLE MAILING SYSTEM

Optimise efficiency. Ensure quality.

Being ISO 9001, 14001 and OHSAS 18001 certified, Neopost will serve you in accordance with the highest process, quality and environmental standards.

WE VALUE YOUR MAIL

IS-440

VERSATILE MAILROOM SYSTEM

When it comes to getting a job done, thriving businesses count on reliable processing that adds value and streamlines performance. Neopost's IS-440 delivers practical solutions that offer maximum versatility to give you the results you need.

With state-of-the-art technology and **myneopost** online services under your control, you'll be sure to have the best solution to meet your requirements.

The whisper-quiet IS-440 is highly featured and easy to operate. You'll appreciate the sleek ergonomic design that saves you space and easily integrates into your business environment.

GIVE THE RIGHT IMPRESSION

Enhance the look of your mail piece with a printed slogan. By adding a company slogan, you can communicate and promote your business to your customers.

MIX IT UP – IS-440 WILL SORT IT OUT

Fast, accurate weighing and franking. Using Differential Weighing, simply place all your mixed weight mail on the weighing platform, remove an envelope and the correct rate is calculated.

The IS-440 is as ready as you are. With Smart Start technology, each time an envelope is removed from the weighing platform in Differential Weighing mode, the Auto Feeder starts and is ready to process mail or automatically dispense a label.

PRICING YOUR MAIL HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-440 Rate Wizard give you a hand so you don't have to be a postal expert. Whatever rate you need is in the IS-440 and, save even more time by eliminating keystrokes when you select the mail rates you need from the shortcut keys menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

EASY TO USE OPERATIONAL CONTROL

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the IS-440.

MAIL ACCOUNTING SOLUTIONS THAT KEEP YOU IN CONTROL

Optimising budgets and effective cost controls are expected in today's business environment. Neopost's MAS delivers the detailed reports you need to track, analyse, allocate, forecast, and consolidate your mail processing activity by mail class, department, time-period and more, even from a distance.

You can establish budget by department and then monitor costs with automatic alerts or limits controlling overspending. Connect to a PC with Neopost's MAS installed and you're never out of control.

Automatic feeder quickly processes stacks of envelopes from 87mm x 125mm to 250mm x 325mm.

Integrated automatic label dispenser.

Differential weighing with Smart Start technology calculates and delivers the exact postage for each item removed from the scale.

Space saving integrated 3kg weighing platform and external platforms available with up to 35kg capacity.

Shortcut keys ensure maximum efficiency.

Dashboard display provides operation overview and user friendly prompts and menus.

Compact, extendable catch tray accommodates DL to C4 envelopes.

MONITOR, TRACK AND CONTROL POSTAL EXPENDITURE ONLINE

If you have to account for your mail, use **myneopost**.

You'll enjoy hassle-free postal rate changes since they are automatically downloaded ensuring simplicity, accuracy, and compliance.

Never run out of ink with Low Ink E-Mail Alerts.

myneopost online services give you greater control over your mailing system and postal expenditure. The IS-440 connects to **myneopost** to help you manage your operations more efficiently.

STAY CONNECTED WITH LAN

Save time and increase efficiency by taking advantage of the LAN connection included as standard across the IS Range.

With the ability to connect to almost any network type automatically the constant connection allows for statistic uploads, rate change updates, recrediting, system upgrades and all other downloads to be completed with ease. Running securely via your internal network, the LAN connection removes the need to find and use a traditional analogue phone line.

NEVER OUT OF INK

Managing ink couldn't be easier. The IS-440 will send you a Low Ink E-Mail Alert so you can be sure your mail keeps moving when needed. Thanks to the Click n' Snap design, changing ink cartridges has never been easier.
